

Errors & Omissions Coverage for Title Agents and Abstractors

A Title Insurance professional causes a client to have a financial loss due to an error they made. The client sues the professional - whose insurance agent says the professional's General Liability insurance does not cover it. Now he is responsible for the loss – but he didn't have to be.

That's why you need Errors and Omissions (E&O) insurance coverage from FoxPro Defender.

- Affordable coverage that protects your business if you are accused of negligence. Rates as low as \$525 a year.
- Provides financial protection if you have to pay a settlement as well as legal expenses.
- Coverage for Escrow Agents, Closing Agents, Examiners, Notaries, Witness Closers.
- Our carrier Fortegra is rated "A-" (Excellent) A.M. Best for its financial stability and claims-paying ability.

Advocacy defense from nationally recognized law firm Wilson Elser

The financial impact of an E&O claim can wipe out personal and business assets. If the allegations prove to be groundless, you can incur substantial legal fees.

- Wilson Elser specializes in professional liability – unlike most local law firms without its experience.
- Risk Management Hotline to answer your concerns.
- Experienced lawyers work to resolve matters before they become claims.
